

Meet our Employee

Katie Pumphrey

Sprinkler Service Dispatcher

Katie has been with Action for a little over a year but has made a big difference with her big, bubbly personality! She loves to travel, attend concerts & sporting events, and is a huge Game of Thrones fan. Last year she spent a week in Ireland seeing castles and this year she has planned a visit to Germany, Austria, and is looking forward to hiking in Berchtesgaden National Park.

Meet our Employee

Mark Gomez

Sprinkler Tags Estimator

Mark has been a part of the Action team for five years taking care of special accounts and quoting sprinkler tag repairs. He has been married to his wife Christina for 23 years and they have (2) children, Gabriel (19) and Alaina (16), He enjoys spending time with his family, cooking out, boating, swimming, and just about anything dealing with cars.

Sprinklers Save: Real Life Stories of Fire Protection

We know that fire protection is important but the cost for preventative means can be cumbersome. Check out these real life stories of how sprinkler systems have saved lives and properties making the cost completely worthwhile!
