

## Meet our Employee

### Jennifer Miller

Alarm Service Dispatcher

Jennifer has been with Action for about a year now but she fit right in with our team on day #1. She's been married to her husband, Tommy, for 5 years and they are the proud parents of one little, energetic boy named Greyson (4). In her spare time she enjoys spending time outside, being crafty, and watching Greyson play t-ball and go fishing.

## Meet our Employee

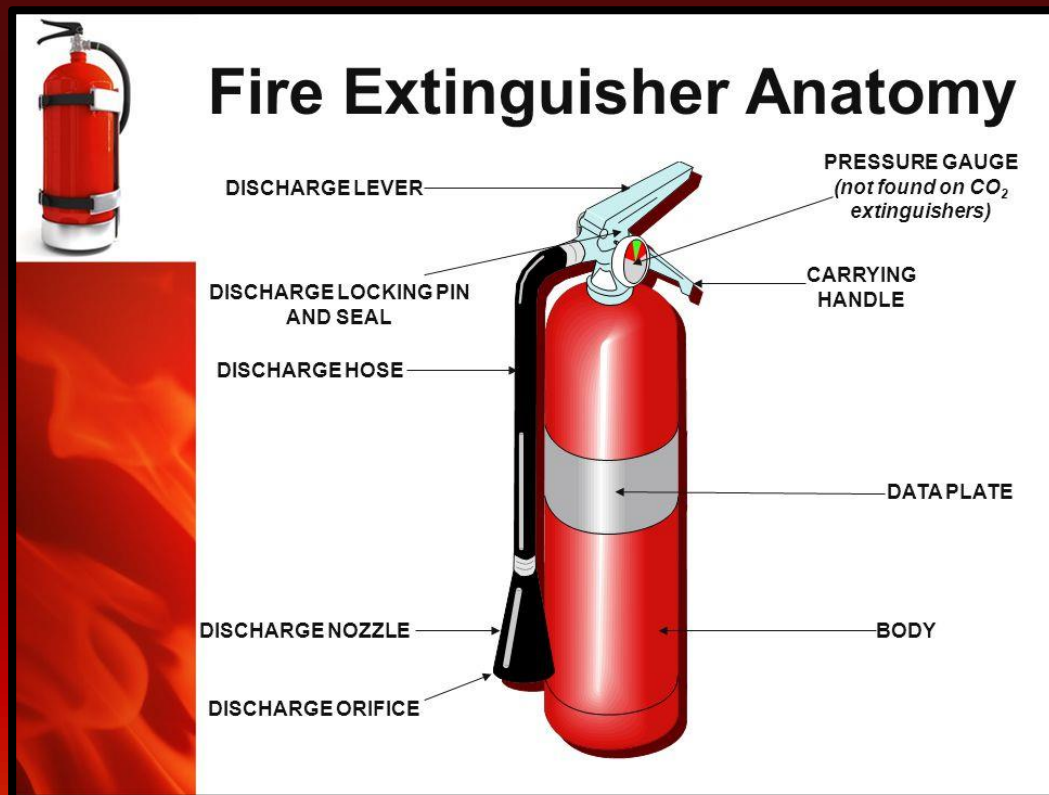

### Eric Stone

Sprinkler Service Dispatcher

Eric has been with Action for about a year and likes all of the interesting challenges about our industry. He has been with his girlfriend, Nicole, for 7 years and has two kiddos, Atticus (12), and Riot (5). In his free time, Eric likes to swim with the kids, play frisbee golf, and work on the book he is writing.

## Fire Extinguisher 101:

The earliest known and patented fire extinguisher was invented by a German chemist in 1723 in England and used gunpowder and fuses for expelling the liquid. We've come a long way since those days, haha!

Click the link below to learn about all the options we have today:

# 2019 BOMA Dallas Trade Show

THANK YOU SO MUCH TO EVERYONE WHO STOPPED BY OUR BOOTH AT THE 2019 BOMA DALLAS TRADE SHOW! WE HAD SO MUCH FUN VISITING WITH EVERYONE AND HANDING OUT ACTION GOODIES! WE EVEN TOOK HOME THE “BEST IN SHOW” TROPHY WHICH WAS THE CHERRY ON TOP!!

# Action Cares!

One of the joys of servicing fire protection is all the fun places you get to work... sometimes it requires us to look a little silly but we do it with a smile!! 😊

Geron, Alarm Inspector, is all suited up to test smoke detectors in a hospital. We go the extra mile to ensure there is no contamination in sterile areas.

# Action in Action!

Paul, Sprinkler Foreman, on a Saturday morning service call...our techs are ready to roll 24/7 to meet your fire protection needs!

The Action Team works together to get to the bottom of service issues. One-stop shop fire protection.
